

LINCOLN NORTHEAST HIGH SCHOOL MUSIC BOOSTERS

Parents of Band, Orchestra and Vocal Students!

Earn Funds for Student Trips!

The 2011/12 All-Music Department trip is fast approaching. Don't miss out on a fabulous fundraising opportunity for your student to raise funds for this trip. Other trips students could need funds for include Jazz Band contests, Show Choir contests, Orchestra contests, going to the Orpheum to see Broadway productions, and more!

N Earn trip funds by working at the UNL Home Football Game Dairy Store Booths this fall! We hope you can join us for this fundraiser during this fall's Husker Football season, and next year's Spring Red/White Game! It's a great time! The first game is Saturday, September 4th, and we need plenty of people to staff the booths! Each person working earns \$36.00 per game (provided they arrive on time and don't leave until dismissed by the stand manager) to go toward their designated student's trip account. Even if your student is not age 14 yet, parents, relatives and older siblings can work on their behalf to start earning funds for their future music trips. (Due to NCAA rules, students who have already lettered in a high school sport which Division I colleges offer scholarships for are not eligible to work at UNL games.)

To participate in this fundraiser, complete both sides of the attached registration form and:

- ✓ Have your student drop it at the school office for the Music Boosters during the first week of school
- ✓ Mail it to one of the coordinators listed on the form – soon!

General Trip Fundraising Information:

- As long as your student (or his or her siblings) continue in a music group from year-to-year consecutively, their individual fund is maintained (or carried over to the sibling if applicable). If a year is skipped, the individual's funds revert to the Music Booster Club to be used to the benefit of all LNE Music Students.
- At NO time is money paid out directly to students from their trip fund. All funds revert to the Music Booster Club when the student graduates &/or student or siblings do not continue in music the next consecutive year.
