
Guidelines to

Be on time: Please do your best to be on time. Keep in mind when you are scheduling after school activities to fit the schedule. We will not be excusing late arrivals (at least one full week).

Working with sports or other activities: Be sure you are not asking your coaches to cancel or change at musical. Be pro-active with your coaches. If you then come up with a solution or plan, please let them know. Coaches and directors are much more likely to be flexible instead of just coming to them with a problem. The golden rule: Game/Performance vs. musical. If you are alternated or plan worked out ahead of time, please let the musical know. Performances vs. game, talk with the coaches. If you are in the musical, please talk with both.

Come prepared: Do not show up without your materials. You should come with a PENCIL (not pen) and a notebook. For blocking rehearsals you need
